Takashi Shishidô was a 22-year-old farmer with a broken heart, an unstoppable desire to fight, and an assortment of blades and hammers shaped like crescent moons. He had tried to defeat the monsters of Black Star. He had failed. And because he'd failed, the monsters had taken his daughter away. Now a grizzled old man with one good eye, Takashi has a mission: to protect the Earth from the evil forces of Black Star. He just needs some help: black-haired Shaolin monk Yoda, a huge, simpleminded, yet highly skilled fighter; Yang Kai, a hard-edged Taoist with a death wish; and a group of adventurous misfits who are always willing to follow a man with a katana. It's time to fight! Takashi Shishidô and the Mighty World of Black Star tells the story of a man's quest for justice and the evil forces of the past trying to destroy the world of the present. This unique and unconventional series takes a humorous and action-packed approach to telling the story of its characters and their heroic adventures. This is a

series that is absolutely brimming with ninja, samurai, martial arts, and magical mystiques that will satisfy the fiercest of kung fu or samurai action junkies. Part 1: Blood Song: Chapter 5: Time & again: Part 2: The last breath of love: Part 3: The one with blue eyes: Part 4: The eye of the tiger: Part 5: He and she: Part 6: In the last fight: Part 7: Existence: Part 8: No regrets: Part 9: The mountain with legs: Part 10: The 12 hours of love: Part 11: Dr. Feelgood: Part 12: Yelling in pain: Part 13: The thirteenth step: Part 14: The whirlwind: Part 15: Evolution: Part 16: The last step: Part 17: The secret place: Part 18: Awakening: Part 19: The game: Part 20: The final battle: Part 21: Existence: Part 22: 1, 2, 3, 4: Part 23: What's next?
